ENTRY FORM, OR ENTER ONLINE IF PREFERRED

Eligibility for grade-restricted sections is determined by the latest published ECF RapidPlay grading list as of 1st May 2022. All sections are ECF graded and FIDE-rated. The following priority is used for section allocation and seeding:

1. ECF RapidPlay Grade
2. Latest FIDE RapidPlay Rating
3. ECF Standard Play Grade
4. Other Rating Assigned by the Organiser
5. Players without a current grade of any type must provide full information about all results and any grading previously held.

Ungraded players are not eligible for a grading prize.

A player qualifying for two prizes receives only the higher of the two prizes.

Prize money is subject to change depending on number of entrants. Except in the Open, ungraded players win only half of a first prize.

In the event of a tie for grading prize, the prize is awarded to the lowest graded player

If you wish to leave before the finish, make sure we have your address/bank details.

Prize money is bank transferred, PayPal or posted within 7 days.

You have entered the congress when the entry fee clears.

Swiss manager dictates the pairings in all rounds and they are not changed to suit individual preferences.

BY ENTERING, PLAYERS AGREE THAT IN THE EVENT OF ANY DISPUTE, THE ARBITER'S DECISION IS FINAL.

Note for your diary: The next Standard play congress is planned

23rd – 25th September 2022 at the same welcoming venue.
